

Having problems logging into Drinks Guide?

Answers to frequently asked questions are below:

Do I have the correct username and password?

USERNAME: First & Surname (this is not case sensitive) eg. John Smith

PASSWORD: Prefix of 10 followed by your company id number eg. 109999

What is my company id number?

Your quarterly email from the Drinks Guide team always refers to your company id in the message. If you cannot locate this number contact info@drinksguide.com.au or call the Services Team on 02 9415 1199 and we'll provide you with the correct information.

I have entered my username and password and still cannot access the supplier directory.

Are you the registered contact for this company? Have you recently taken over the responsibility of updating the data? You may not be authorised to access the site.

Contact info@drinksguide.com.au or call the Services Team on 02 9415 1199 and we can provide you with access.
